

# GLAUCOMA

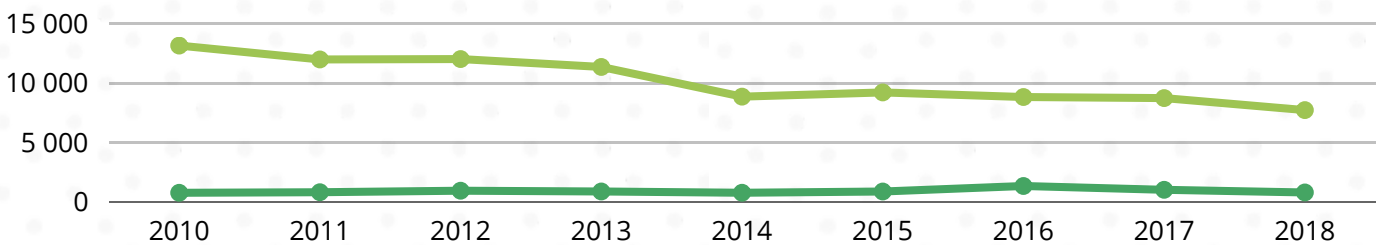

## Good practices in financing mechanisms of ophthalmology: experience of Poland, Czech Republic, Slovakia and Hungary

■ number of people who received services for glaucoma

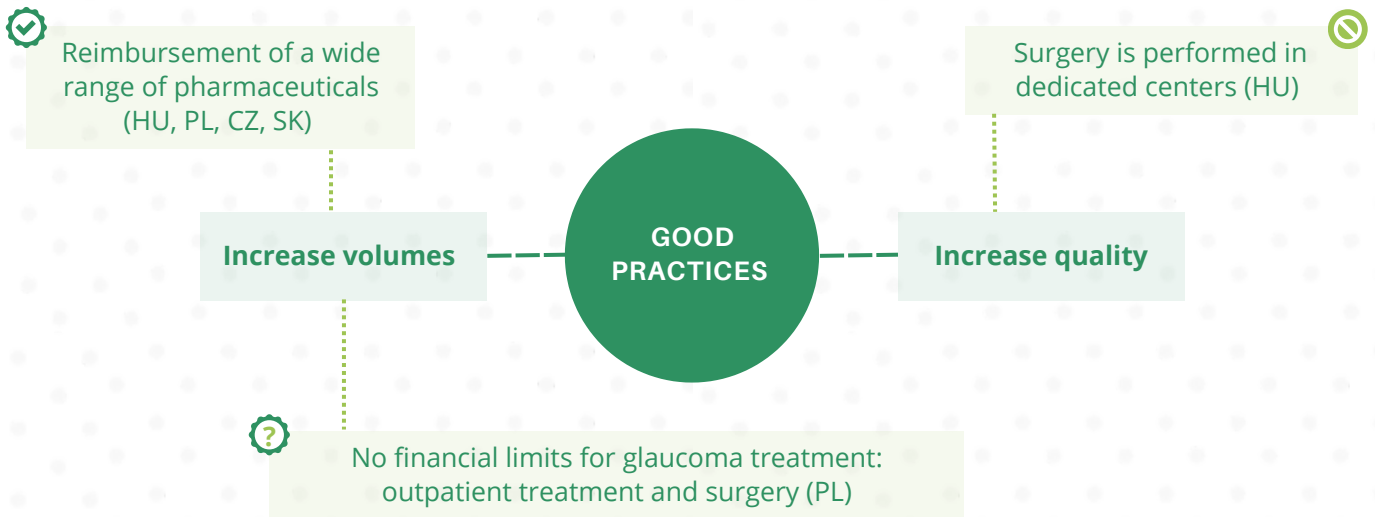

■ number of glaucoma services in hospitals  
■ number of glaucoma services in outpatient facilities

\*Since 2018, there is no statistical information on the prevalence and morbidity, as the order of the Ministry of Health of Ukraine No. 801802 dated 04.10.2018 cancelled the reporting form No. 12 "on the total number of diseases registered in particular medical facility and on patients with diseases for which dispensary supervision is carried out"

\*\*data from the National Health Service of Ukraine

- ✓ - good practice that has been supported for priority implementation
- ? - good practice that has been supported, but the implementation of which is postponed
- ⊘ - good practice that is currently not being considered for implementation in Ukraine

HU - HUNGARY,  
PL - POLAND,  
CZ - CZECH REPUBLIC,  
SK - SLOVAKIA
