WP 3: CIVICA Engage Track – Bachelor Education

The **CIVICA Engage Track** is a European multi-campus, interdisciplinary bachelor experience **with a focus on civic engagement**.

Two parallel elements:

- **academic study** (regular credit-bearing courses to be completed at a home institution or one of the CIVICA partner universities);
- **social commitment** – reflection on a socially important challenge shared with CIVICA Engage students and other audiences (immersion programmes called **CIVICA European Weeks** and student-led **Showcase Assignments**).

WP 3: CIVICA Engage Track – Bachelor Education

Components of the CIVICA Engage Track

Choose at least **two** of these three options:

Engage Course
at home university

Engage Course
at partner university

European Week

+

Showcase
Assignment

=

**CIVICA
Engage
Certificate**

You can take one Engage Course per term.
The European Week usually takes place in June.

WP 3: CIVICA Engage Track – Bachelor Education

Conditions required by a course to be accredited as a **CIVICA Engage course**:

1. Engagement with external partner(s).
2. Topic relevant to society.
3. Topic related to a European challenge.
4. A project component

WP 3: CIVICA Engage Track – Bachelor Education

The European Week:

- organised on a rotation basis by one CIVICA partner each year and focused on one civic issue.
- an intense international learning experience - live case pedagogy with representatives from societal actors;
- 10 student teams, each followed by 1 tutor, and working in depth on at least 1 case;
- multidisciplinary approach to a societal challenge;
- an example of how research in social sciences contributes to society;
- an example of inclusive cross-cultural collaborations among students and faculty.

WP 3: CIVICA Engage Track – Bachelor Education

Showcase Assignment is aimed to support and demonstrate students' civic engagement in two ways:

- by reflecting on their experience of the CIVICA Engage track, students become aware of their transformative learning for their civic engagement;
- students can bring their unique learning experiences about key public issues, to an external audience of their choice.

WP 3: CIVICA Engage Track – Bachelor Education

Showcase Assignment – two components:

- a personal analytical reflection on students' learning through CIVICA that covers both what they learned and how they learned;
- **in a short media piece**, students tell one story about their learning and how it addresses (using social sciences concepts) a European challenge. The format of this piece is open.

WP 3: CIVICA Engage Track – Bachelor Education

Together with completion of the Showcase Assignment, students will be awarded with a Certificate of completion issued by CIVICA secretariat.
